

5 Global Village Center

The Seoul Metropolitan Government will open five Global Village Centers by the first half of 2008 in places where foreign residents live in large numbers. These Centers will offer a range of comprehensive services for daily living and programs to support community activities in close relationship with ward offices, the police, schools and other public service organizations. These centers will be located in Yeonnam-dong, Yeoksam 1-dong, Seorae village, Hannam/Itaewon-dong and Ichon-dong.
